Be Part of Something Special

Please join us! It's easy and fun to get involved. You get to choose how active you want to be.

Concerned citizens of the area formed the Frontenac State Park Association in the early 1950's to establish a park so future generations could enjoy the natural beauty. The Park Association worked tirelessly within the community and the State Capitol to ensure the area would be preserved for all times. The Association has worked for over 60 years, continuing to raise money and support for park improvements.

The public loves our state parks! Recent events show heavy use by people needing a place to go for family fun and recreation. Join us to ensure Frontenac State Park has sufficient funding, protection of our natural resources, and enhanced opportunities for the future.
